SCEPTRE WON.

Captured Oakes Stakes, Worth 4,500

Sovereigns.

(By Associated Press.)

LONDON, June 6.—At the Epsom sum-  
mer meeting to-day the race for the  
Oakes stakes of 4,500 sovereigns, a  
three-year-old fillies, about one mile  
and a half, was won by R. S. Slevier's  
bay filly, Sceptre.Ladies' Day was marred by the weather.  
King Edward, the Prince of Wales  
and other members of the Royal family  
started for the races in a down-pour  
of rain, and consequently the roads lead-  
ing to the Downs lacked much of their  
usual picturesque appearance. A ma-  
jority of the race-goers preferred to  
travel by train, but a good sprinkling of  
people adhered to the time-honored cus-  
tom of "entering the Oakes" in coaches  
and other conveyances, and at intervals  
between showers the field was gay with  
bright dresses.By the time the Oakes commenced the  
attendance had assumed big proportions,  
and after the first two races attention  
was turned to the Oakes, where the  
favorites for the Oakes stakes were walk-  
ing about. Mr. Slevier's bay filly Sceptre  
was soon established as the favorite,  
and the result of the race justified the  
faith that was placed in her.Class Jug was second, and Lord Cad-  
ogan filly filly, a prisoner, out of  
Sivmoon, was third. The Sivmoon filly  
was ridden by Maher, the American  
jockey.The betting was 5 to 2 against Scep-  
tre, 10 to 1 against Class Jug and 25 to  
1 against the Sivmoon filly.Mr. J. Blundell Maples, bay filly Sivmoon,  
led to the straight, where Sceptre, which  
had started well, took command appar-  
ently at will, drew to the front and won  
easily by three lengths. A length and  
a half separated the second and third.  
Balleran was fourth. The race was run  
time was 2:46 3/5. The race was run  
while a heavy rain was falling.Mr. Slevier and Sceptre received a rare  
ovation.

## KING GEORGE COURT.

Big Improvement at Spillman's Wharf  
on the Rappahannock.

(Special Dispatch to The Times.)

KING GEORGE, VA., June 6.—The June  
term of King George County Court was  
slightly attended yesterday on account of  
the exceedingly busy season. Farmers  
are rushing work. Crops and gardens are  
suffering from rain, and grass is becoming  
much parched.Active preparations are being made at  
Spillman's Wharf the lower part of this  
county, on the Rappahannock, to  
transform the place into a more active  
business center, and buildings for machin-  
ery; also, a large brick kiln is to be put  
into operation and experiments made to  
make bricks and cement from the full-  
er's earth, which is so abundant at  
that place. The beds of fuller's earth ex-  
tend for many acres along the river on  
this farm, and seem to be confined ex-  
clusively to that one estate. With the pass-  
ing away of the old building and wharf  
at Spillman's, the King George, is  
about completing a pleasant residence on  
the site recently bought from Mr. W. W.  
Ship, of Oak Grove.Mr. Judge Beaton and little son,  
Thomas Jefferson, have returned to

Henry, Mrs. Mason's mother, who sailed  
for Europe last Saturday.Miss Marie Reid, Poherty, who last  
week graduated at the Lucy Webb Hayes  
National Training School in Washington,  
returned here yesterday to spend the  
summer with her mother at their pretty  
home, "Waverley."Mr. John Grammer Boggs, who has  
been visiting his mother, Mrs. Sallie  
Adams Boggs, left to-day for his home in  
Pittsburg, Pa.Dr. J. M. Massey, the sprightly Cornish  
correspondent of the Richmond Dispatch,

IS HEARD AGAINManchester Street Committee  
Recommends Franchise

FOR SIX MONTHS' TIME

Mr. Wakefield Withdraws Resolution to  
Remove City Funds From Home  
Bank—Other News of  
Manchester.Manchester Bureau, Richmond Times.  
No. 1102 Hull Street.  
The Street Committee last night recom-  
mended to the City Council a resolu-  
tion allowing the Southern Bell Telephone  
Company to string wires out Eighth  
Street to the free office, and to erect  
poles in Manchester, subject to two con-  
ditions, expressly provided for.  
The first is, that during the six months' permit, which was granted to the com-  
pany, Manchester should have the same  
rights that Richmond now enjoys for the  
use of the poles of this company. The  
second one was, that at the expiration  
of this time this permit shall end, unless  
the company shall have been given a  
franchise.The permit is so worded that the com-  
pany will scarcely have any redress,  
should it all live up to the contract. If  
at the expiration of the time granted  
the company has failed to obtain a fran-  
chise for operation here the City Council  
can direct that all wires and poles of  
the company be torn down. Unless  
Manchester should get into litigation like  
that which Richmond had with the com-  
pany, when about \$15,000 was spent by the  
City, Judge Clifton, City Attorney, was  
often consulted, and he so worded the peti-  
tion or permit that there is no loophole for  
the company.The company cannot during this tem-  
porary franchise, or in future, charge  
more for telephone service in Manchester  
than is charged in Richmond. At the  
present time the company is in Manches-  
ter without a franchise. The Street Com-  
mittee has absolute authority to grant  
the poles of the company will be placed.  
RESOLUTION TABLED.The Finance Committee met immedi-  
ately after the Street Committee adjourned  
and transacted matters of some impor-  
tance, among them being the withdrawal  
of the resolution that Mr. Wake-  
field should have time to take the funds  
of the city from the keeping of the Man-  
chester Bank.Mr. Wakefield appeared before the com-  
mittee and asked that the resolution be  
tabled by him. He stated that he was  
satisfied in making this request Mr. Wake-  
field said he thought it best at this  
time, as the matter of the School Board  
and the Merchants and Mechanics Bank  
was now in the courts, to wait until it  
had been settled before the meeting be-
